INTERNATIONAL TRADE

The international team based at The Sussex Chamber of Commerce provides a range of support and services for exporters and importers. Whether you are an established business or considering trading for the first time, the chamber of commerce is here to help guide you. The support provided by the chamber will help your business within the business community by taking advantage of new markets, increasing sales and reducing costs.

EXPORT DOCUMENTATION

- UK Certificates of Origin
- Arab - British certificates of Origin
- UK - EUR1's / EUR-MED
- Certification, Legalisation & Notarisation of Export Documentation
- Letter of Credit processing service
- ATA Carnet

CHAMBER CUSTOMS

At ChamberCustoms we now offer two ways for you to complete your customs entries by either **Fast Track Customs Clearance (EXABLER)** or **Fully Assisted Customs Clearance**. Exabler is real time and gives customers all the info they need for HMRC to ensure they are being compliant and are covered.

- Export declarations
- Import declarations
- T1 transit documents
- A high level of compliance and assurance for customers
- A wealth of international trade experience and expertise from across the trusted Chamber of Commerce Network UK
